What positive qualities will you bring to the community? Don't be shy.

What qualities would you like to develop in yourself?

What is your soul mission and life purpose as you have currently defined it?

What blocks you or slows you in your growth, health and happiness?

How do you know when something, someone or someplace is right for you?

What is challenging for you about being in a group setting?

Are you willing, ready and able to commit the time resources and energy to see this program through to its conclusion?

Anything you would like to add?
